

Coffee & Cake Prize Draw

Included in your pack is a 'Coffee and Cake Prize Draw' game.

How it works:

Ask your guests to pick a square featuring an image for £2 (including the MCL logo) If your guests are staying for the duration of the event write their name on the back of the square. If your guests are leaving we suggest you write their name and telephone number on the back.

Once all the squares are gone, cut them out, being careful not to go outside the lines and fold up each square and put into a container. Shake the container and at random draw one square.

The winner can collect £20 which can be taken from the proceeds of the draw. This will leave you with £30 which can be added to your total and given to the charity.

Feel free to amend the purchase and prize amount but bear in mind the less you charge the less comes to Macmillan Caring Locally.
